

## Puttinu Cares 6th Annual Football Marathon 2010

**Puttinu Cares** is organising its **6<sup>th</sup> Annual Football Marathon** on **23, 24 and 25 April 2010** at the Marsa Sports Complex. The aim of the marathon is to clearly demonstrate the painful reality experienced by more than four hundred patients every year as they seek specialised treatment in England.

For the last 6 years, Puttinu Cares has been a haven of solace for families whose children have been afflicted by cancer. Assistance has taken several forms, ranging from emotional solidarity to financial aid on behalf of those patients needing treatment abroad. **One of the targets of our organisation is to eventually widen its offer of help to all cancer patients and not only to children.** Therefore the aim behind this activity is to raise awareness about Puttinu Cares and the hardship families of ill patients go through when they have to travel abroad for further treatment.

During this marathon no less than 700 teams will delight children and their families during the 60 hour non-stop football. Animation, sport, song and dance will also contribute to make the three-day fest a wonderful celebration for children and adults alike.

**In order to make this happen we need your most welcome support. We are humbly asking you whether you are willing to offer your services, preferably on voluntary basis, during any of the three days of the event. If you are ready to help us, kindly send us a reply highlighting the day/s you would like to participate on as well as the service you are offering.**

Life is a **gift**, and it offers us the privilege, opportunity, and responsibility to **give** something back.

Please do not hesitate to call on **79063876** or send an email on [puttinukidz@gmail.com](mailto:puttinukidz@gmail.com) if you need more information.

Thank you.
